

**REMARKS**

Please enter the above amendment prior to calculation of the filing fee. Claims 1-21 are now in the application.

The above amendments are made to correct the claim dependencies of those claims which are improperly multi-dependent under U.S. practice, and to make other formal changes, so that such claims will be placed in better form for U.S. practice and will therefore be examined. Such amendments are made entirely without prejudice to applicant's rights to later present claims of varying scope encompassed by the multi-dependencies deleted above, applicants respectfully reserving their right to add claims at a later stage commensurate in scope with claims which may have been eliminated by the removal of all multi-dependencies. None of the amendments made above are "narrowing" amendments. The scope of the claims has not been reduced, no limitations have been added and none are intended.

Applicant respectfully awaits the results of a first examination on the merits.

Respectfully submitted,
